My signature below indicates that I understand that in order to comply with Veterans Administration regulations, the SUNY ESF Registrar must submit registration and academic progress reports to the Veterans Administration. Furthermore, I must report any changes in my registration status (listed above) within two weeks from the date of their occurrence. I also understand that registration changes may affect the VA Benefit amounts paid to me. A change in my registration can cause overpayment on my VA account, which I would be required to repay. Additionally, I understand that failure to properly advise the SUNY ESF Registrar could result in immediate cancellation of any certifications submitted to the Veterans Administration.
